Dear Parents/Guardians

**Thames Valley Police, School Policing Team**

As you will be aware, we work closely with Thames Valley Police and are fortunate to have access to a dedicated Schools Team that provides valuable support to schools through workshops, school visits, drop-in sessions, assistance in resolving low-level incidents, and, most importantly, education around personal safety and safeguarding.

Throughout this academic year, we will continue to work in partnership with the police to support the safety and wellbeing of our school community. As part of this collaboration, students may be involved in the use of Safety Arches during the school day. These proactive measures help us to identify prohibited items and contribute to maintaining a safe and secure environment for all members of our school community.

Should such activities take place, we will always inform parents and carers afterwards. We trust that you will continue to support us in making full use of the excellent resources and services available through our partnership with Thames Valley Police, helping us to ensure that our school remains a safe place to learn and thrive.

Yours sincerely

Miss C Burns
Co-Headteacher (DSL)

Maiden Erlegh Trust is a company limited by guarantee and an exempt charity registered in England and Wales under company number 07548754 with registered office at Silverdale Road, Earley, Reading, RG6 7HS.
