| About the course/workshop | <p>Be prepared to free up and let go! Capture the freshness, vivacity and colour of flowers in a variety of acrylic techniques including loose fluid methods and more painterly impressionistic approaches.</p> <p>We will initially work through quick exercises looking at shape and form and explore gestural energetic mark-making to capture the impression of flowers. We will look at colour mixing, composition and the use of drawn marks as a foil to the looseness of painting – this is not a botanical painting class! Lots of step-by-step demos & individual help.... a basic knowledge of acrylics is useful.</p> | |
