Your Task

As technology advances and becomes more innovative, it will impact and influence the ways in which people drive and travel today and in the future. At the forefront of new technology is autonomous driving alongside many other advances in the industry.

Your task is to **create an essay** (this can be any length up to 1,500 words) discussing the short-term and long-term considerations for Volkswagen Group UK when bringing autonomous vehicles into the automotive industry.

Please create this based on your field of interest and/or brand of choice.

**To register your interest and receive a full brief,
please email:**

inspire@vwg.co.uk

Completed entries must be submitted to the above email address by
Friday 26th April 2019*.

You will hear back from us by **Friday 10th May 2019**.
