RAF 100 – Inspiring The Future

Royal Air Force Odiham would like to invite you to an '**Inspiring The Future**' event on Tuesday 19 June 2018. The aim of the event is to showcase the fantastic career opportunities and great lifestyle of the Royal Air Force.

There will be a range of RAF equipment including large operational 'Oshkosh' refuelers, Airfield fire appliances and RAF Regiment weapon simulators as well as an operational Chinook to look at, climb on and walk through and RAF Physical Training Instructors will be offering the chance to check your fitness too. There will also be displays by RAF Clubs and sports associations including RAF Motor Sports with their racing motor bikes and competition go-Karts.

We want to allow your students to speak to a wide range of serving personnel about their day-to-day life and explain the benefits of life in the Royal Air Force. They will also be happy to talk about their time off duty and the exciting opportunities for adventurous training, force development and further education. In addition to the subject matter experts we will have RAF Recruitment specialist staff on hand to give advice and guidance on the process of joining up.

Places are limited at this free event and will be allocated on a first come first serve basis. Please return the attached booking form to secure your school place at this exciting event. Closing date is 7th June 2018.

Any questions please contact Sqn Ldr Helen Parry via email helen.parry517@mod.gov.uk or on 07974 232910.
