Dear Parent/Guardian

School shoes from September

We have noticed that a growing number of students are wearing the wrong shoes to school. School shoes should be black, formal and polishable shoes with no logos as per our updated uniform policy for September 2019. Please see the examples below of shoes that are not appropriate and should not be worn to school:

From September all students must wear appropriate school shoes that do not infringe on our updated uniform policy. We will be providing spare shoes for any student that is found to be wearing the wrong shoes, unless they have a note from a parent to explain why this is the case. This will ensure that no lesson time is lost.

Thank you for your support with this matter. Should you have any questions regarding this please do not hesitate to contact your child's Head of Year.

Yours sincerely

Mr P Gibson
