Dear Parent/Guardian

National Awards for Performance

Amongst the current unprecedented situation facing the UK I wanted to share some good news regarding the school with you. Maiden Erlegh School has been recognised nationally for its excellent results in 2019 based on data from the Department for Education and Ofsted, analysed by SSAT, the Schools, Students and Teachers network. Maiden Erlegh School was found to be among the best performing non-selective secondary schools in the country, receiving two awards for being in the top 10% nationally for attainment and progress. This is the sixth year in a row that the school has been awarded this.

The SSAT Educational Outcomes database compares all state-funded schools in England and the highest performing schools for a range of key measures are awarded SSAT Educational Outcomes Awards. We hope to be presented with our award at a celebration ceremony currently planned for next term, alongside other high-performing SSAT member schools.

Sue Williamson, Chief Executive of SSAT said:

“Congratulations to Maiden Erlegh School on winning two SSAT Educational Outcomes Awards. This success is down to the superb learning and teaching, outstanding support and inspirational leadership of students, staff, parents and governors. You have made a huge difference to the lives of the young people in your school. Thank you.”

We are very pleased to have all of our hard work recognised. Thank you to the students, parents and staff for all of their hard work and dedication.

Yours sincerely

Mr P Gibson
