

10 July 2020

Dear Parent/Guardian

I am writing to update you on our plans for publishing GCSE Results for Year 10 Religious Studies.

GCSE Results Day is the **20 August 2020** and results will be available to collect from school **from 11am until 11.30 am**. In line with current government guidance, social distancing measures mean that results will be given out at various locations across the school.

Please see below for where you need to collect your results:

Surnames A- G	Sixth Form Common Room
Surnames H- P	Main Hall
Surnames Q-Z	Lower School Hall

Any results not collected during that specific time slot, will be available from the start of term from the Religion & Philosophy team. Students will need to listen to the notices in tutor in September to find out when and where these results will be handed out.

Please may I also take this opportunity to thank you for your support over the last two years.

Yours sincerely

Miss S Jones  
Head of Religion and Philosophy
