Dear Parent/Guardian

Year 7 Book Club on Google Classroom

I am writing to make you aware of the Year 7 Book Club on Google Classroom. The code to access this is: h3l2aom.

The idea behind the book club is to promote the enjoyment that can be had from reading books. What I have asked students to do is to write a short review of the book that they are reading and upload this to Google Classroom for others to read.

The review should include:

- The book's title and author.
- A brief summary of the plot that does not give too much away.
- Comments on the book's strengths and weaknesses.
- The student's personal response to the book.
- I have also asked the students to give the book a rating out of 10.

The review does not just have to be a fictional book, it can include nonfiction, for example - cookery books, biographies and autobiographies. A photo of the front cover of the book uploaded to the Google Classroom page is also useful.

Hopefully, this will help introduce the Year 7 students to a range of new books and authors that they might like to try for themselves.

The book club has only been running for a little while and I am delighted with the response from students so far. Please encourage your child to look at the books that have been reviewed so far and encourage them to contribute themselves.

Yours sincerely

Mrs P Newton
Year 7 Tutor
