April 2021

Dear Parent/Guardian and Year 6 Pupil

### **Admission to Year 7 – September 2021**

Welcome to Maiden Erlegh School, I am absolutely thrilled you have chosen to join us in September and look forward to welcoming you in person later this year.

This continues to be a very strange time for everyone in the UK but that will not stop us in making your child feel welcome! At present, we are planning on holding an induction day for your child which will be in June but we are awaiting further information before confirming the date. Please rest assured that we will ensure they have a full induction as we know how important this transition is – ideally this will be in person and we cannot wait to meet them and you!

### **New Students**

Maiden Erlegh School is a special place and somewhere that you grow, progress and, most importantly, have some of the best days of your life. Around every corner at this school you will find opportunity whether that be extra-curricular activities, making new friends, learning new things or finding out about careers. You are now part of our team - #TeamMaidenErlegh and we are thrilled to have you on board. As Headteacher of this fantastic school, it is my job to ensure that you get the very most from it and I intend to ensure that you do – when you start, make sure you stop me and introduce yourself as I want to get to know you personally.

### **Parents**

Your child is in very safe hands and I invite you to be part of #TeamMaidenErlegh too. As a parent myself, I know that the next few months will be daunting and worrying as your child is about to start the next part of their life but please do not suffer in silence, if there is anything you need to know please just ask. We have a tremendous transition programme and will hopefully be out to visit your child in school in the summer term and once they start our pastoral care is highly regarded and we will make sure we look after them the minute they walk through the doors for the next 5 or 7 years.

Over the coming months you will be receiving a lot of information from us to make sure the transition is effective and smooth but in the meantime I wanted to introduce myself and say welcome. Together as a team we will do the very best for your child and make sure that in 5 years' time they are fully prepared for the next stage of their lives. Welcome to #TeamMaidenErlegh!

Yours sincerely

Mr P Gibson  
Headteacher
