June 2021

Dear Parent/Guardian

Induction Day Change of Date and New Parents' Meeting Information

As you are probably aware there has been a surge in Covid cases in Wokingham and Reading and as a result of this all of the Wokingham Secondary Schools feel that it is wisest to delay the children's visit to their new school for an induction day from Wednesday 23 June to **Wednesday 7 July**.

We will continue to work closely with your child's current school around the transition process. Please be assured that if there are any difficulties with your child attending on the new date that we will have arrangements in place so that they do not miss out. We are also working on contingency plans if the circumstances dictate that we will not be able to have a normal, in person, induction day.

As this is a new date it will be necessary for you to give new permission for your child to attend and a link to this is included <https://forms.office.com/r/QAdUbbAaHY>.

Our new **Parents' Evening** will still take place on the evening of **Wednesday 23 June** but this will now be a virtual event taking place on zoom and will start at **6.30 p.m.** During this Mr Gibson (Headteacher) and Miss Nimmo (Head of Year) will introduce themselves and share how we can work together to ensure that your child can make a smooth and successful start to life at Maiden Erlegh. A link to this evening is included below:
