Dear Parent/Guardian

Year 9 Assessment Week – Tuesday 7 May – Friday 10 May

I am writing to let you know that the Year 9 assessment week is fast approaching; it starts on Tuesday 7 May - Friday 10 May.

These assessments will happen in your child's lessons during that week and their subject teachers will give the students a better idea of which lesson that is nearer the time.

We would like them to do the very best they possibly can as some of these assessments, as you know will count towards their entry onto the triple science course (please see previous correspondence from science).

So that we can ensure that all Year 9 students have access to the full range of materials they will need to support their revision we have uploaded revision resources for each subject on our Year 9 Google Classroom, code: **t3wctau**. This is as well as all their class notes, class Google Classrooms and any other resources that their teachers give them.

Please can I ask that you encourage your child to prepare fully for these assessments but to not panic and just do the best they can.

Thank you for your support with this

Yours sincerely

Miss C Nimmo
Head of Year 9
