ENQUIRIES AND APPEALS ABOUT RESULTS

Information for Candidates

The following information explains what may happen following an appeal or enquiry about the result of an examination.

In the past, an enquiry or appeal about the result of an examination made after the issue of a subject grade could not lead to that grade being lowered. The grade could only be confirmed or raised.

If your examination centre now makes an enquiry about the result of one of your examinations after your subject grade has been issued, there are three possible outcomes:

- Your original mark is confirmed as correct and there is no change to your grade.
- Your original mark is raised, so your final grade may be higher than the original grade you received.
- Your original mark is lowered, so your final grade may be lower than the original grade you received.

In order to proceed with the enquiry or appeal, you must sign the form overleaf. This tells the Head of Centre that you have understood what the outcome might be and that you give your consent to the enquiry or appeal. You also agree to pay any associated costs relating to this appeal.

Definition Of Services

[C] Clerical Re-check – This is a re-check of all clerical procedures leading to an issue of a result and will include that all parts of the script have been marked, the totalling of marks, the recording of marks, the application of any adjustments and grade thresholds.

[R] Review of Marking (Re-mark) – This is a post-results review of the original marking to ensure that the agreed mark scheme has been applied correctly and will include the clerical checks above plus a review of marking.

[P2] Priority Remark – This is a priority service reserved for Year 13 students whose university place depends on the outcome. It contains the same services as a remark but with a quicker response time. This is only available in August.

[S] Photocopy of Scripts – This service enables you to obtain a copy of your actual exam script. If you want to see it before deciding on a remark, you should make the request for this service within one week of results, otherwise follow the usual post-results deadlines. If you are having a recheck or a remark and still want a photocopy, you should request this at the same time.
