16 July 2019

Dear Parent/Guardian

Equipment from September

From September 2019 we are aiming to ensure that all lessons start promptly and efficiently to guarantee no learning time is lost.

When a student does not have the correct tools for learning it can often hinder both them and the rest of the class whilst the teacher ensures all students have the necessary equipment.

Therefore, from September all students will be expected to have the equipment listed below contained within a transparent pencil case. This will allow an easy visual check in the morning before lessons and ensure that any disruption to the start of the lesson is minimised as we can prepare students fully for their learning.

Equipment from September:

Pens – black/blue, green and red

Writing pencils

Coloured pencils

Rubber

Pencil sharpener

Glue stick

30cm ruler

Maths set (containing protractor, compass, set square)

Casio Calculator - FX-83GTX or FX-85GTX

At least 2 highlighters

Transparent pencil case

We are now making this compulsory to support all learners to make the best possible progress.

Thank you for your support with this matter.

Yours sincerely

Mr P Gibson
Headteacher
