Dear Parent/Guardian

Thank You and Stonewall School Champion

As we approach the end of our first full week back at school I wanted to say a huge thank you for your support. It has been a joy to see how well all of our new students have settled in already. I have been impressed with students' dedication to their studies and enthusiasm to learn and I hope that this continues.

This term we have implemented our mobile phone ban and I am pleased to report that this has been a very positive change with the majority of students getting this right. I am delighted to see the positive impact that this has had. I would also like to thank you for your support with ensuring that students are wearing the correct school shoes and that they have the correct equipment for lessons. This has been key in making sure that lessons start promptly so that students can get the most out of their learning time.

I would also like to share with you the excellent news that we have been recognised as a Stonewall School Champion for our dedication to being accepting of everyone and celebrating differences. We are continually championing diversity at this school, and this is something that I am extremely proud of.

Finally, please could I remind parents to be respectful of parking in neighbouring roads and to be aware of parking restrictions if you are picking up your child. We want to ensure that we are courteous to our local community and would encourage as many students as possible to walk or ride to and from school where feasible to do so.

Once again I would like to thank you all for your support and I look forward to another successful academic year.

Yours sincerely

Mr P Gibson
Headteacher
