

Key Stage 4 Careers and Work-Ready Provision

Rob Buck
Assistant Headteacher

Rationale (4 Pillars)

To provide a **differentiated and personalised learning programme** that is appropriate to the student's needs and stage of career learning, planning and development.

To provide **impartial advice and guidance** so that students are aware of the different destination routes available to them and how to get there.

Development of **work-ready skills** so that students achieve satisfaction in the world beyond secondary school.

A **student-led** programme

LEADING THE WAY IN CAREERS GUIDANCE

Careers and employability solutions for schools and colleges

Why use Start?

Start is a free and comprehensive digital platform, offering schools and colleges a single starting point to help simplify and improve careers guidance in schools. In this film, we hear from students and staff at Grace Academy Solihull about how Start helps them to prepare for future study and career choices.

World Of Work

Get inspired about the world of work by researching industries, employers and jobs.

Employability

How can you improve your chances of getting the job you want and being successful in your future career?

[Find Out More](#)

What's in your digital backpack?

Danny Walker describes his job as a football coach at Manchester City FC as the best in the world.

What is Danny's advice about getting your dream job?

Who's planning and shaping the future?

Vlogger Eve Bennett (Beauty with Eve) didn't have a clue about surveying until she spent a day exploring the industry.

What did she find out about the jobs available and the different routes in?

How can you support from home?

Parents

Use Start at home with your child to help cut through the fog of careers advice and begin making more informed choices – every step of the way.

Key features include:

Students build their online profile over time and access personalised study and career information.

Structured career activities.

Up to date content on what to study, where to learn and the world of work.

Students can set goals to raise aspirations and stay in control of their career planning.

Key Stage 4 Careers Learning Programme

A clear careers and employability strand runs through the PSMSC programme

- Developing yourself through careers, employability and enterprise education
- Learning about careers and the world of work
- Developing your career management, employability and enterprise skills

Careers Fair

Tuesday 4th February 2020

Businesses
Colleges
Universities and FE providers
Apprenticeship providers
Gap year organisations
Adviza

#Careers Weeks

- Half termly celebrations led by departments to raise awareness of the importance of linking curriculum learning to careers and destinations
- Each department has a Careers Ambassador and a careers display board to engage with students

#Careers Weeks

This academic year we will be looking at:

- Challenging careers stereotypes
- Learning from career and local labour market information to help inform study/career destinations
- Discovering Maiden Erlegh School alumni destinations linked to different subjects
- Creating an online presence (LinkedIn)
- Exploring different careers linked to different subjects. To include college routes, HE, FE and apprenticeship
- Formulating a Careers Action Plan in different subject.

Year 9

People Like Me sessions for boys and girls – for students with an interest in STEAM-related careers run by Thales

Year 9 Careers & Enterprise Day – Friday 19 June 2020

THALES

Year 10

Each student to have an experience of a work place in the summer term of Year 10

Students are to complete a work shadow day, ideally in a business/field that they have a direct interest in

Year 11

Each student will participate in a 20 minute mock interview led by a local employer in November of Year 11

Each student will take their completed CV to the interview and gain feedback from the employer

Year 11

Students are offered a 30 minute bespoke careers interview with Adviza to explore appropriate destinations post-16.

Options explored include:

- Apply to Maiden Erlegh Sixth Form
- Apply to another school
- Apply to a college
- Apply for an apprenticeship

Students and parents are provided with a personalised careers action plan and a list of further websites and information to follow up as part of a student careers pack.

Apprenticeships

Strong relationship with ASK (Apprenticeship Knowledge and Support Company)

Assemblies on Apprenticeships as a viable route post-16

Apprenticeship registration and application workshop for students interested in this route (Year 11)

Trust Apprenticeship Parents Information Evening on Wednesday 22 January 2020

And finally...

CURRICULUM

IN THIS SECTION

CAREERS, WORK EXPERIENCE AND WORK RELATED LEARNING

Careers Education, Information, Advice and Guidance (CEIAG) at Maiden Erlegh School is seen as an important part of school life and all students will receive this as part of their learning here at the school. We are committed to providing the appropriate activities and experiences to enable students to make successful transitions from Foundation Stage to Key Stage 4 and 5 and further education, training programmes, apprenticeships or work.

Maiden Erlegh Schools' aims in relation to CEIAG are:
