14 October 2019

Dear Parent/Guardian

## Mathematics Walkthrough – The Week Commencing Monday 21 October 2019

Year 11 students in Mathematics often find it difficult knowing how to approach examination papers. To address this, the Mathematics Faculty have organised a walkthrough of an examination paper.

The event will take place during the students regular lessons the week commencing Monday 21 October 2019.

During these sessions students will be guided through examination questions with the support of a maths teacher. Students will complete work in exam conditions in order to get a feel for the real examination process.

We would like all the students to come prepared, fully equipped (pen, pencil, protractor, ruler, rubber, a pair of compasses and a calculator) for this exam preparation experience.

Yours sincerely

Mrs H Williams  
Head of KS4 Mathematics

Mrs A Dražić.  
Head of KS4 Mathematics
