Dear Parent/Guardian

### Year 10 Information Evening - 8 October

Thank you to all that came to the information evening and for all the feedback that was given. Please find within this letter the link to the presentation on the website, the curriculum booklet and feedback from any questions that you asked. You can find the presentation on this link:

<http://www.maidenerleghschool.co.uk/attachments/download.asp?file=1224&type=pdf>. If you have any questions please do not hesitate to get in touch.

I have put the link to the curriculum booklet below, this is a brilliant resource and has all of the suggested revision guides and websites we ask the students to use:

Mrs Cripps mentioned some new English books that have come out recently, they are therefore not in this link so please find these below:

I have updated the year groups google classroom – cz2tzt, this has lots of information on it including assemblies we have done, the tutor programme so far, the revision timetable and drop-ins that the school offer leading up to the PPE week after February Half term. Please look at this with your child and encourage attendance at some of these - get them to come with questions for the topic that they want to discuss and they can use that time wisely then!

Finally please find some answers below to some of your queries you raised.

- Logins for kerboodle: your child's username is generally their initial of their first name and the full last name for example: cnimmo. They would have changed their password but we can reset it at any time to be the same as their username, the code is then rsw2. We cannot give these details out to parents however your child can sit down with you and write it down for you if they choose.
- Logins for google classroom: the email is your child's login in information for the school network plus @maidenerleghschools.co.uk, for example [no@maidenerleghschools.co.uk](mailto:no@maidenerleghschools.co.uk) (slightly different to the emails with the extra's' after school) and then they would have changed their password, again we can reset this and they need to go to ICT support to do this.
- The revision plan is very individual as it is your child making it, the website in the presentation can help with making this specific to them and alongside the learning checklists for each subject will allow it to be the areas they need to work on.
- If we were to do this information evening in two halves again we would have the Es first then the Ms.
- The subjects that were not represented on the evening was due to time constraints. Please do use the parents' evening or contact the school office if you have a particular worry about revising for a specific subject.
- The students have all by now been given an overview of the exams and how they are structured - please do ask them to explain this to you, you will also find it in our options booklet you received in Year 8. This is the most recent options booklet that might be of use:  
<https://www.maidenerleghschool.co.uk/site/data/files/linked%20docs/curriculum/8DCF003D3CEF4E14B5DBBC4B36964041.pdf>
- More frequent recall homework is being given out from the subjects in line with our new homework policy. If you feel there could be some extra being done ask them to pull out all their Year 9 work and go over that for a period of time.

Thank you again all for the feedback and I hope this helps.

Yours sincerely

Miss C Nimmo  
Head of Year 10
