Dear Parent/Guardian

### How to Support Your Child in Education

Have you found yourself asking one of these questions to your children and had very little response? Have you been asked to help with homework and felt a little out of your depth?

Both of these scenarios are very common but we may be able to help.

As part of our commitment to ensuring that communication between school and parents/guardians is as good as it can be, we have created a range of documents which can be found on the school website.

There is one set for each Key Stage, please click the heading to be taken to our website:

1. [Curriculum booklet](#)

- This has everything you need in one place and includes information about **subject content, assessment, enrichment opportunities, extended study information, recommended equipment** and **subject contacts**.

- a. KS5 – Years 12 & 13
- b. KS4 – Years 9-11
- c. Foundation – Years 7 & 8

2. [Homework information](#)

- This includes suggestions of what **type of homework activities** to expect in each subject and **subject google classroom codes**. Please note that many teachers have their own google classroom code in addition.

- a. KS5 – Years 12 & 13
- b. KS4 – Years 9-11
- c. Foundation – Years 7 & 8

3. [How can parents support their children?](#)

- This includes subject-specific suggestions of ways **you can be involved in your child's learning, online resources** which may help your child and **recommended textbooks and revision guides** for most subjects.

- a. KS5 – Years 12 & 13
- b. KS4 – Years 9-11
- c. Foundation – Years 7 & 8

We know that parents/guardians have been asking us to pull this information together in one place and so we hope that you find this information helpful.

Please let us know if there is anything else that would help you support and guide your child at home. We will do our best to include this in the next annual update.

If you have any queries or helpful suggestions, please contact [office@maidenerleghschool.co.uk](mailto:office@maidenerleghschool.co.uk) in the first instance and label your communication "curriculum booklets".

Yours sincerely

Mrs S Elliss  
Deputy Headteacher  
Trust Lead for Secondary Curriculum
