Dear Parent/Guardian

Maiden Erlegh is in the top 5% of schools in the country according to league tables

I wanted to write to inform you about the validation our 2019 GCSE results have received today. According to the official Department for Education performance tables released yesterday, Maiden Erlegh is ranked 218 out of 6489 secondary schools for the progress students make between joining us in Year 7 and leaving us in Year 11. Every school is now measured by a figure known as Progress 8 which shows the value a school adds to students during their time at secondary school and our score of 0.7 (up from 0.64 in 2018) suggests that, on average, students at Maiden Erlegh achieve nearly a grade higher across their subjects than pupils of similar ability across the country.

This is down to the hard work of our students who remain committed to their studies, the hard work of our teachers, and also your dedication as parents. Thank you for continuing to support the school.

For the full information on how we place in the league tables please use the link below.

We hope that we can further improve on this already excellent result in the future.

Yours sincerely

Mr P Gibson
Headteacher
