Dear Parent/Guardian

Equipment for Learning

In July, I wrote to all parents regarding students having the correct equipment for learning. The aim being to have an efficient start to lessons by ensuring that all student have the correct tools for learning.

To enable the above, all students are expected to have the equipment listed below contained within a transparent pencil case. We appreciate that students may not be able to fit a scientific calculator and maths set in their transparent pencil cases and so we are happy for these to be carried separately in their school bags.

Equipment:

Pens – black/blue, green and red

Writing pencils

Coloured pencils

Rubber

Pencil sharpener

Glue stick

30cm ruler

Maths set (containing protractor, compass, set square)

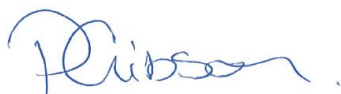

Scientific calculator – we recommend a Casio calculator - FX-83GTX or FX-85GTX

At least 2 highlighters

Transparent pencil case

This equipment is compulsory and over the next couple of weeks, we will be asking our pastoral team to check that students still have this equipment. Please can you support this in checking your child's pencil case and refill any equipment that may have been mislaid or used up.

Yours sincerely

Mr P Gibson
Headteacher
