Dear Parent/Guardian

All Together SILVER school status

We are very pleased to hear that Maiden Erlegh School has been awarded All Together SILVER school status, demonstrating our commitment to stopping bullying and improving the wellbeing of our students.

The Anti Bullying Alliance's All Together Programme is a whole-school anti-bullying programme offered free to schools across England. The programme includes a special focus on reducing bullying of disabled children and those with SEN and also aims to reduce bullying of all children and young people. The All Together Programme is funded by the [Department for Education](#) and delivered by the Anti-Bullying Alliance with support from [Contact](#) and [Achievement for All](#).
