Dear Parent/Guardian

Year 9 Education Provision after May Half Term

As promised, I wanted to write to update you on our education provision for students after half term. Following on from recent announcements, it is currently clear that secondary schools may only open for Years 10 and 12 before the summer break and as a result we have reviewed the provision for Year 9. This has included listening to feedback and also monitoring the work set on Google Classroom.

I have been impressed by both the work ethic shown by students and the quality of work being set by staff and as a result Year 9 students are making very good progress.

The amount of work being set is in line with our expectations and so for the next half term, Year 9 will continue to have work set as they have done this half term. Being in their first year of their GCSE courses it is important that they continue to follow the work set by their teachers which has been well sequenced to allow maximum progress.

We will continue to monitor this process and should you have any questions please do not hesitate to contact me.

Yours sincerely

Mr P Gibson
Headteacher
