

17 June 2020

Dear Parents and Students

Induction and Sixth Form Update

I am writing to advise you that due to the current situation, there will not be an induction day for students either on Monday 29 June 2020 or Tuesday 30 June 2020, instead there will be a registration day on Thursday 3 September 2020, where you will meet with your tutor or Head of Year.

We will write to you in due course with more details of timings, what to expect and what equipment to bring etc. I will also in this next letter explain the arrangements for results day and enrolment day. If you have any questions about your subject choices, prior to results day, please address these to myself at a.cheshire@maidenerleghtrust.org however, please note that no option changes will now be made until after results day on the Thursday 20 August 2020. Your request will be recorded and you will be put on a waiting list.

I would like to take this opportunity to introduce your two new Co- Heads of Year, Mrs Garner and Mrs Hill. They are both experienced Heads of Year, who I know will work very hard to support your child in the Sixth Form. Mrs Garner's days of work will be Wednesday and Thursday and Mrs Hill's Monday, Tuesday and Friday. To contact them, you should email them at the following address mesyear12@maidenerleghtrust.org. Mrs Garner and Mrs Hill have put together a short welcome video, which you can view by clicking on the following link:

In terms of dress code, should you wish to purchase clothes now, the dress code is as follows:

A plain black, blue or grey suit (this can be a trouser, skirt or dress suit. Dresses and skirts should be of knee length, the fabric should not be stretchy or clingy and must match the suit jacket) Shirts and ties can be any colour.

Female students' tops should be formal, modest, and suitable for an office environment with no large logos or branding on them.

Shoes should be black or brown, trainers or boots are not allowed.

Hoodies are not allowed. If the weather is cold then jumpers can be worn underneath suit jackets.

We look forward to you joining us at Maiden Erlegh Sixth Form. In the meantime, stay safe and continue to work through the enrichment work set by the subjects you have chosen.

Yours sincerely

Miss A Cheshire
Head of Sixth Form
