Dear Parent/Guardian

### Equipment for Learning

Whilst we are clarifying the arrangements to get all students back to school in September, we are aware that you will be buying equipment and uniform. When a student does not have the correct tools for learning it can often hinder both them and the rest of the class whilst the teacher ensures all students have the necessary equipment. At present we are unable to lend equipment so it is vital that students come equipped with the below list.

Therefore, all students will be expected to have the equipment listed below contained within a transparent pencil case. This will allow an easy visual check in the morning before lessons and ensure that any disruption to the start of the lesson is minimised as we can prepare students fully for their learning.

#### Equipment List:

- Pens – black/blue, green and red
- Writing pencils
- Coloured pencils
- Rubber
- Pencil sharpener
- Glue stick
- 30cm ruler
- Maths set (containing protractor, compass, set square)
- Scientific Calculator (For example: Casio Calculator - FX-83GTX or FX-85GTX)
- At least 2 highlighters
- Transparent pencil case

This is a compulsory equipment list to support all learners to make the best possible progress. Thank you for your support with this matter.

Yours sincerely

Mr P Gibson  
Headteacher
