Dear Parent/Guardian

Year 13 Prelims for September 2020

I am writing to update you on the plans for the Year 13 Prelims which will be held on the week commencing Monday 14 September 2020. The students should only attend school for their examinations during this week, if they are unwell you should contact the school's attendance officer as normal.

Please use the link below to access a timetable of when the different subjects will be examined, if you are unsure of what option groups your child belongs to, their current timetable states which option block they are in. Students will receive an individual copy of their prelim timetable on their return to school.

After the prelims have been marked and moderated, we will write to you again with the results of these as well as your child's UCAS grades.

Thank you for your ongoing support, we hope you have a safe and restful break over the summer.

Yours sincerely
