Dear Parent/Guardian

### **Attendance Practice**

I would like to take this opportunity to update you on some changes regarding our attendance practice.

Maiden Erlegh Trust has employed the services of WPA, an organisation that works with schools to provide additional support to monitor and track attendance. Presently attendance across all year groups stands at 96%, which is very good, but we would like to improve this further.

If your child's attendance falls below 90% WPA may contact you either via a letter or a phone call regarding your child's absence, to see how we can support you.

Yours sincerely

Miss A Cheshire  
KS5 Assistant Headteacher
