Dear Parent/Guardian

Year 11 English Examination

We wish to support all students in sitting their English exam tomorrow morning, as we know that they have worked hard towards this.

Students will receive an email by 8.30am tomorrow morning from Miss Nimmo, providing instructions on how to access the examination via an exams google classroom.

The examination will be invigilated over zoom, and this link will be provided both in the email and on the exams google classroom page.

The English examination will start promptly at 10am, we would ask that all students have joined the zoom link, and accepted the new google classroom link by 9.50am.

For the examination to be considered as valid, we ask that all students have their camera switched on and their sound to mute.

The paper will need to be submitted electronically via google classroom at the end of the examination, and the paper copy handed into your son/daughter's English teacher, on their return to school. This means that students should take a picture of their written paper and upload it.

Students with exam concessions will still receive this concession.

Students who use the read/write software will need to download this as a chrome extension. Please access this on the following link on chrome:

<https://chrome.google.com/webstore/detail/readwrite-for-google-chro/inoeonmfapjbbkmdafoankkfajkcphgd?hl=en>

If you need a license number, please add the following GKJ43YAN. We would recommend that you do this tonight, so that you can check it is all working.

Yours sincerely

Mr P Gibson
