20 November 2020

Dear Parent/Guardian

### **Year 11 - English Literature PPE**

As you will know, Year 11 students sat their English Literature PPE remotely on Monday 9 November 2020. We were so impressed with the way in which students conducted themselves during this examination, which was taken in the most exceptional of circumstances.

We are also grateful for the papers which students have brought back into school and have handed to their class teachers.

However, there are still many submissions outstanding and the quality of photographed work is not high enough to enable English teachers to mark the work. Indeed, the photographic evidence was only ever requested to ensure the authenticity of the work completed.

Please could we ask that you check with your child that they have either submitted the paper copy of their English Literature PPE to their class teacher or have it ready to hand in once they return from isolation at home.

English teachers have been asked to chase outstanding submissions and may be in touch to ask for your support.

It is only once all papers have been received and marked that teachers will be in a position to give feedback on the result and individual next steps so please bear with us. Unlike the English Language result and feedback which will be issued at the calendared times, the process for this particular examination is likely to take longer. Results will be shared in due course.

Yours sincerely

Miss E Roberts  
Assistant Headteacher
