Dear Parent/Guardian

### Face Coverings in School

In accordance with government guidelines and to ensure the safety of our school community we are asking all students to wear face coverings when they are moving around in school. The students will be reminded again this week, that unless they are sat at a desk in a lesson or sat in the dining room eating food, then they should be wearing a mask. The rule is simple ***'If you are not sat down, you should be wearing a mask!'***

Unfortunately we are still finding that many students are coming to school without a face covering. Can we ask for your support in ensuring that your child has a face covering for school and a plastic bag, for storage. In addition to charging £1 for any face coverings, given out, we do intend to check on students and if they are repeatedly ignoring this request and we will be in contact with you as parents and may choose to sanction in accordance with our behaviour policy.

We ask for your continued support in this matter, as we are working extremely hard to keep our school community safe and ask that everyone play their part to help with this.

Yours sincerely

Mrs S Bendall  
Senior Assistant Headteacher  
Pastoral, SENCO & Inclusion
