Dear Parent/Guardian

Year 10 and 11 Study and Exam Skills Session including Twilight Parents Session

On Wednesday 2 December, an outside company called Positively MAD will present virtually to our Year 10 and 11 students on Studying Effectively and Exam Revision Skills.

The student sessions will run in sync with the normal school day taking place for Year 11 during their period 1 lesson, and for Year 10 during their period 3 lesson. Lunch and break times will again be as normal. Students will require their normal books and equipment for lessons on that day and a notebook.

In addition to the sessions for the students, we would like to invite you to the twilight session the presenters will be running for parents, on how best to support your child during exams and how to help them with their study skills. This will again be virtual and the zoom link is now below, we will have a prompt start at **6:30pm on Wednesday 2 December** and we highly suggest that your child sits with you during this session. Please be aware that there is a limit to the numbers we can accept on zoom (300) and it will be first come first serve for this.

As you have already seen we have previously sent you the draft summer exams timetable issued by JCQ and with the current government guidance being that exams are going ahead this summer we felt this session would be extremely beneficial for you supporting your child at home. The government guidance is that examinations will go ahead in the summer, with a delayed start and we must prepare them for this.

Should you have any questions then please do not hesitate to get in contact.

Yours sincerely

Head of Year 11

Miss S Grindey
