24 March 2021

Dear Parent/Guardian

Year 11 and Year 13 Information Evening

As a result of the disruption to the education of students caused by the Covid-19 pandemic, the government decided that exams could not be held in summer 2021 in a way which is, and which is perceived to be, fair.

The OFQUAL consultation was then launched, and decisions shared as to how grades would then be awarded this summer. The summary of decisions and rationale from OFQUAL can be found here: <https://www.gov.uk/government/consultations/consultation-on-how-gcse-as-and-a-level-grades-should-be-awarded-in-summer-2021>

Mr Attridge, Trust Lead for Assessment and Reporting has shared further information about the process on his letter dated 11 March, which set out the assessment plan for the remainder of the academic year.

To provide further detail on this we will be talking to students in Year 10, Year 11 and Year 13 Assemblies next week, so that they understand the planned process at Maiden Erlegh School.

For parents we would like to invite you to the following information evenings, hosted by Mr Gibson and Mrs Morgan on the assessment process for awarding grades this summer:

Year 11: Wednesday 31 March 6pm

Year 13: Wednesday 31 March 7pm

This event will be hosted on zoom, if you wish to attend you must register your interest using the link below. We would welcome any questions in advance of the evening, please add these to your registration form.
