Dear Parent/Guardian

May Assessments Monday 10 May – Friday 21 May

Tomorrow we will issue the individual timetables for the May assessments which start on Monday 10 May and finish on Friday 21 May. These show when students are in either:

- Assessment – This is shown as the subject with the room that they need to attend.
- Revision – This is an allocated room for quiet study.
- Home Study – There are no assessments taking place at this time and students should study at home.

It is important to note that each student's timetable is unique and should they lose it, they should refer to the photo they will take in tutor or ask their Head of Year, rather than checking in with each other. A copy of the timings of the school is available at the end of this letter.

Assessments	Each assessment is 45 mins. Its key that these assessments start on time and that all students have arrived at the venue, 5 mins prior to the start (Please note timings for the day at the end of the letter). All equipment should be brought with them, such as calculators, pens and pencils as well as any other subject specific equipment. Should they realise they have forgotten key equipment they must find their Head of Year.
Revision	Students should come prepared with their own revision materials. Students can use this time to prepare for any of their upcoming assessments. This will take place in their normal timetabled lesson.
Home	There are no assessments taking place at this time and students should study at home.

Final Week Arrangements

Student will attend lessons as normal on Monday 24 and Tuesday 25 May. This will provide a period of reflection after the assessments and also an opportunity for both staff and students to say farewell and wish students good luck with their next stage of education.

Wednesday 26 May will be the final day for Year 11, I will be sending out further details around the timings and plan for the day closer to the time.

Yours sincerely

Miss C Nimmo
Head of Year 11
