Dear Parent/Guardian

### **Years 7 – 10 - Physical Education – After School Fixtures**

Thank you with your patience with after-school clubs and fixtures being delayed this academic year; it has been great to have so many students back doing extra curricular activities this half term.

We have been planning on how to do fixtures in a safe and controlled manner against different schools. Starting after half term, we have arranged to 'bubble up' with The Piggott School to do friendly fixtures against them for all year groups in various sports. We will follow a strict risk assessment, which will include masks to be worn on minibuses for away fixtures and at present no indoor sport will be played. We will also follow any Covid protocol updates from the relevant governing bodies.

At present we do not have any further information about what these opportunities are likely to be and the year groups involved, but I am asking for a reply from you to say whether you would be happy for your son/daughter to be involved in fixtures (home and away) should an appropriate opportunity arise. Please complete the slip linked below:

[After School Fixtures Reply Slip](#)

Yours sincerely

Mr J Flynn  
Head of Physical Education
