Dear Parent/Guardian

Year 11 Prom – Change of Date

Following the announcement by the Prime Minister about the delay to COVID restrictions being eased, we have had to move the Year 11 Prom. Since the revised lockdown date is so close to the end of term and many students will be going on holiday, we have moved the prom to **Monday 6 September**.

Please can I ask you to complete the survey in the link below **by Friday 2 July** to confirm that you would like to transfer your ticket over to this date and hence the money that has been paid.

[Year 11 Prom Change of Date Survey](#)

We are looking forward to being able to celebrate with Year 11 when restrictions are eased, they deserve this celebration of their resilience and hard work and this will be a lovely opportunity for them to be able to get together as they start on the next steps of their journey.

Thank you for your continued support with this.

Yours sincerely

Miss C Nimmo
Head of Year 11
