15 July 2021

Dear Parent/Guardian

Year 12 – New Home Study Arrangements for September 2021

With effect from 6 September 2021, students may leave the site to study at home once they have finished lessons for the day, and also may remain at home in the morning until their first timetabled lesson. Please note students are still expected to attend their supervised study sessions and Friday's tutor session 8.40-9.20am. Signing in and out sheets will be in the entrance to the Sixth Form Centre, and must be used, so students should arrive in time to sign in each day.

We recognise the need for all students to hone their independent study skills as they prepare for university, apprenticeship, or employment and trust individuals to make decisions about the best working environment for them.

Please would you complete this survey linked [here](#) by Monday 19 July 2021, to give your permission for these arrangements. If you would prefer your son/daughter not to follow these arrangements, and to remain at school throughout the day, please indicate this on the survey so we are aware of your preference.

We will review these arrangements throughout the term, and if it becomes apparent that a student's academic attainment is suffering, we will contact you to arrange a change in the home study privileges granted.

If you have any questions, please feel free to contact me.

Yours sincerely

Miss A Cheshire
KS5 Assistant Headteacher
A.Cheshire@maidenerleghtrust.org
