Dear Parent/Guardian

Year 9 - Return of Class Reader Books

In the English Department, we are preparing to teach our class novel after half term with Year 8.

We have noticed that we are missing a large number of books and we are aware that lockdown began during the teaching of the class reader when your child was in Year 8 and we had moved on to another unit by the time we had returned from lockdown.

Please could I ask that you help your child to have a good look around home and see if they can find their copy of the class reader that may not have been handed back after we returned from lockdown in March.

We would very much appreciate your help with this and please be assured they can hand it back to me in the F1 office or their classroom teacher with no questions asked.

Thank you for your support in this matter.

Yours sincerely

Mrs V Cripps

Head of Foundation English
