Dear Parent/Guardian

Year 10 Work Shadowing Day - Friday 24 June 2022 – REMINDER NOTICE

All students in Key Stage 4 are given opportunities to develop their awareness of the world of work, transferable employability skills, the importance of becoming work-ready and the different destination routes available to them. I am writing to remind you about our expectations for Year 10 students. To ensure that students gain first-hand experience of a workplace, we expect all Year 10 students to spend a day visiting a workplace on **Friday 24 June 2022**.

The idea behind the day is that students will go to work with their **parent, carer or another trusted adult for the day e.g. family members, family friends, work colleagues, neighbours, etc.** Although it is beneficial that students can experience an area of work that interests them and are possibly considering as a future career path, at this stage any experience will provide students with a valuable learning opportunity. This will also allow students to boost their confidence in practical and social skills and to see first-hand the value of the skills they are learning in the classroom.

We are acutely aware that some industries and sectors e.g. healthcare, law, etc are more difficult to secure placements in and this has been exacerbated by ongoing Covid-19 restrictions and the number of people still working from home. As restrictions start to ease, we would like to remind you about the importance of being realistic in sourcing a one day placement. We believe it is valuable for students to experience any workplace environment while keeping potential interests broad, across a number of different industries and sectors, and this will prove more successful in securing a placement.

Once a suitable placement has been agreed, please can we ask that you return all appropriate sections of the form below **to Mrs M Sandhu via school reception as soon as possible.** This will help us to gauge who still needs support with this event.

If you have any questions about the suitability of the workplace or any other queries regarding the work shadowing day, please do not hesitate to contact me at school via the school office mesoffice@maidenerleghtrust.org.

Yours sincerely

Employer Letter - Please pass this letter to the employer

Maiden Erlegh School: Work Shadowing Day

Date: Friday 24 June 2022

Thank you for agreeing to allow a student from Maiden Erlegh School to visit your company on **Friday 24 June 2022** for a work shadow experience. We would like to thank you in advance for the commitment you have made. The idea behind this day is to provide students with an opportunity to develop their transferable employability skills and learn the importance of becoming work ready. It will allow students to boost their confidence in practical and social skills and to see first-hand the value of the skills they are learning in the classroom.

This purpose of this letter is to confirm that during this visit, students should be signed into your workplace as a visitor. They should not undertake work, but use the opportunity to observe, listen, ask questions and experience a working environment.

For their own safety, and that of others within your organisation, students must not be left without appropriate adult supervision. Please can you ensure that students are made aware of your Health and Safety requirements when they arrive at the company.

If you have any further questions, please do not hesitate to contact me at school via the school office mesoffice@maidenerleghtrust.org.

Yours faithfully

Mr R Buck
