Dear Parent/Guardian

School Uniform

Following Mr Gibson's letter last week regarding uniform, I wanted to share with you the next stage of the uniform plan and enlist your support.

On Monday of this week, we returned to the normal school rules regarding uniform. This means that all students should now be in full school uniform, including blazers and polishable shoes. We have worked hard this week to lend uniform where required and communicate to the students directly about this return to normality. I wish to inform you that from Friday we will now give an automatic 1 hour detention with an Assistant Headteacher, if students are not wearing the correct uniform. Can I please ask for your support in ensuring that your child is wearing the correct uniform when at school.

We do understand that at this time, some of our families are undergoing financial difficulties and if this is the case, please contact your child's Head of Year and they can arrange for uniform to be lent or procured for them via the Pupil Premium funding (if they qualify for this).

Thank you again for your support in this matter and if you require further details regarding uniform, please use the link below which will direct you to our website:
