4 March 2022

Dear Parent/Guardian

### **Year 13 Prelims - Wednesday 16 March - Friday 25 March 2022**

I am writing to update you on the details for the forthcoming Year 13 prelims. In order to meet the requirements of the government contingency plan in case examinations are cancelled, it has been necessary to bring the prelim examinations forward by three days. The examinations will begin on Wednesday 16 March and finish on Friday 25 March, students will only be expected to be in school for their exams, there will be no lessons during this time.

If your child is unwell and is unable to sit their prelim, please contact their co-heads of year, at the following email address [year13@maidenerleghtrust.org](mailto:year13@maidenerleghtrust.org). Results will be accessible to parents on Tuesday 3 May. Students today have been informed that study leave will begin on Monday 6 June, with Friday 27 May being their last school day.

The first A level public exam will begin on Monday 23 May. We will write to you again nearer the time with more information about the last day of school and booster/support sessions prior to examinations that will be put in place to support your son/daughter.

If you have any questions please do not hesitate to contact me.

Yours sincerely

Miss A Cheshire  
KS5 Assistant Headteacher
