1 April 2022

Dear Parent/Guardian

Ramadan 2022

Ramadan, the ninth month of the Islamic calendar, begins this Saturday 2 April, lasting until Sunday 1 May when the festival of Eid-Al-Fitr begins. We are aware that some of our students may be fasting on days when they are in school in the week before, and after, the Easter break. We wish to support those students fasting and as such we are offering the use of a classroom where students can go during lunchtime if they feel uncomfortable spending this time in the canteen. This room will be supervised by a member of staff at all times.

If your son or daughter wishes to take advantage of this opportunity please complete the form below. Note that only students from whom we have received parental permission will be allowed to use this space. We expect that any student who does use this classroom at lunchtime uses this time respectfully and does not misbehave. We would ask that you discuss with your son or daughter how they should best spend this time in advance and we reserve the right to withdraw this facility to any student who we feel does not respect the space or disrupts the time for others.

Ramadan Kareem to all our students and school community.

Yours sincerely

Mr P Gibson
Headteacher
