Students should ensure that they attend all their timetabled lessons in the run up to the final examinations until 25 May, after which the timetable will be suspended.

Vocational Subjects

Please note that students are required in lessons for vocational subjects until all their assignments for that subject are complete.

Pre-examination boosters

In some cases, students will have a pre-examination booster. This is a session with teaching staff to go over examination technique and key ideas and concepts immediately before the examination. Our experience shows us that these sessions put students at a real advantage, and we urge you to encourage your child to attend.

Year 11 Good Luck Day and Prom

On Friday 13 May we will be holding a good luck day for students. The details of the day will be confirmed closer to the time. Please note that students will be expected back in normal lessons on Monday 16 May.

The Year 11 Prom will be on Monday 4 July for all those who have already purchased a ticket. The deadline for this has passed

I hope that this information is helpful. If you have any questions, please feel free to contact me or Mr Gillett, Assistant Headteacher

Yours sincerely

Mr S Bryant
