

To Parents at Maiden Erlegh School

26 September 2022

Dear Parent/Guardian

I am writing to inform you that there is a vacancy for a parent member on the Local Advisory Board (LAB) for Maiden Erlegh School from November 2022. We are seeking candidates from our parent community to join the LAB.

Maiden Erlegh School aims to establish a partnership with parents which undoubtedly will bring great benefits to our students. One of the ways you can help in promoting this aim is to volunteer to be a parent member of the LAB - formerly known as a parent governor. The LAB's main tasks are to support and constructively challenge the school, to ensure that pupils receive a high-quality education and plan for future development and improvement. This can be through a knowledge and understanding of Finance, Buildings, HR, Legal, the local community or general business experience as well as an interest in the education of students in our local community.

We welcome nominations of parents with experience in these areas. You do not need to be an expert in the field of education. What you do need is an interest in the school and in the welfare of our children and the time and willingness to get involved. You will also need 'soft skills' – the ability to be able to build relationships with a range of people, to be able to work as part of a team, to be able to question and challenge, and to make connections between different types of information.

Parent members of the LAB are proposed and elected by the parents of registered students at the school. They should be parents/carers of students currently at the school at the time of their election. If too few parents stand for election to fill the vacancies available, the LAB may appoint a parent of any child of or under compulsory school age. People who are elected members of the local authority or paid to work at the school for more than 500 hours in a school year are disqualified from being a parent LAB member.

The normal term of office is 4 years and a full range of training will be available. You would also be required to undergo a Disclosure and Barring Service check. The full Local Advisory Board meets at least 4 times a year.

The arrangements for the election are attached, together with a nomination form which must be received by **3pm on Monday 10 October 2022**. Should you require any further information about the role, please contact me or Helen White, Clerk to the Maiden Erlegh School Local Advisory Board via the school.

Yours Sincerely

Mr Nick Jones
Chair of Maiden Erlegh Trust
