7 October 2022

Dear Parent/Guardian

Year 11 Revision Corridor – Monday 10 – Friday 21 October 2022

At the recent Year 11 Information Evening I mentioned that we are putting on a two week revision corridor for students to prepare for their upcoming pre-public examinations after October half term.

There are a variety of revision sessions and drop-ins available to students to attend to support their own preparation for this period. The sessions all run immediately after school and although are optional – attendance is encouraged.

I addressed the staff body during our weekly briefing yesterday and requested that teachers do not set homework during this period unless it is revision or that it directly supports in their preparations for their PPE's. This is supported by our Headteacher.

I want to thank you in advance for all you are doing and continue to do to support students to give their best during this examination period.

Please find the timetabled sessions on the next page.

Yours sincerely

Mr D Pringle
Head of Year 11

Year 11 Revision Corridor – November PPEs
