8 November 2022

Dear Parent/Guardian

Year 13 - Walk-Through Mock Exams and Preliminary Exams

I am writing to you regarding the forthcoming walk-through mock exams which will be held the week commencing Tuesday 3 January 2023 and the preliminary exams which will commence Monday 9 January 2023.

All students for each of their A level subjects will receive a walk-through mock exam. During these sessions, their teacher will model and provide exemplar material and share techniques for answering exam questions. Additionally, in the two school weeks prior to their preliminary exams, students will not be set any substantial pieces of homework other than revision.

Additionally, by Friday 11 November, Year 13 subject teachers will have informed students of the broad content of their prelim exams and this will also be published on the students' Google Classroom page.

Students will be expected to be in school only for their prelims; there will be no lessons during this week. You and your son/daughter will receive a copy of their exam timetable by Friday 16 December via the student's email (as held in school records), student portal and MCAS. Results will be published to parents on Wednesday 8 February 2023, via the student portal and MCAS.

We are providing this level of support as we want all our students to fulfil their potential and all the evidence shows that students who perform well in their prelims, go on to be successful at A level. If you have any questions, please do not hesitate to contact me via mesoffice@maidenerleghtrust.org.

Yours sincerely

Miss A Cheshire
KS5 Assistant Headteacher
