Dear Parent/Guardian

Winter Donations for Ukraine

The Sixth Form Student Leadership Team has chosen to partner with local schools in the area to collect 20 tonnes of winter clothing and blankets for those in Ukraine who will experience freezing temperatures this winter. They are facing an energy crisis even greater than our own and with many families seeking shelter in damaged buildings they need all the help we can offer.

We are collecting the following items until Friday 25 November. Items can be new or second-hand if they are in good condition.

- Blankets
- Duvets
- Sleeping bags
- Hats
- Coats
- Gloves
- Scarves
- Warm socks

If you would like to donate any items, please ask your child to drop off the items in the Sixth Form Foyer (the building between F block and L block). They will be collected via Ukraine Relief from the school and sorted in Bournemouth before being shipped to Chervonohrad in Eastern Ukraine.

Thank you in advance for your support.

Yours sincerely

Sixth Form Student Leadership Team
