16 January 2023

Dear Parent/Guardian

### **KS4 Celebration Assembly – Thursday 19 January 2023**

Every year we celebrate the achievements of all those students in last year's Year 11. This involves sharing memories, celebrating their achievements and the presentation of the Key Stage 4 prizes.

This year, the event will take the form of a celebration assembly on Thursday 19 January, at 2:30pm in the Main Hall. We anticipate the assembly will finish on time but no later than 3:15pm.

Since this assembly is for all Year 12 students, we wanted to make you aware that they will be missing their period 5 lesson for this event.

We look forward to seeing your son/daughter at this event.

Yours sincerely

Mr P Gibson  
Headteacher
