Dear Parent/Guardian

Year 8 Vision My Future Day – Friday 20 January 2023

Regrettfully, due to staff illnesses, our partners at Covea insurance will no longer be able to support our planned event with year 8s on Friday. As such, this event will be postponed. We will look to add a new date later this term, to be advised.

As such, all students should bring to school the books and equipment for their timetabled lessons as normal, to include personal development, period 2.

Apologies for the inconvenience,

Yours sincerely

Mr D Bell
Assistant Headteacher
School Lead for Careers and Destinations
