Dear Parent/Carer

Parent Survey – Maiden Erlegh School

I am delighted to share with you that today we launch our annual parent survey.

The survey provides an opportunity for you to express your opinion on a variety of topics, and of course, to share with us your overall confidence in your child's school. Our aim is to build upon our previous process and open up a communication channel where your voice is heard and organised in such a way that we can create the best learning environment for your child.

To help us with this, we are working together with the Edurio survey platform. To complete the survey, please click here: [Maiden Erlegh School Parent Survey](#)

Surveys are anonymous and confidential, although the responses will be aggregated for the purpose of analysis. If you have more than one child at our school, you are invited to complete the survey for each child, this is because we recognise that the experience for each child may be different. The survey will be available **Monday 20 February - Friday 10 March**, so please make sure to have your say and share your feedback over the next few weeks.

If you have any questions, please get in contact with the team at METadmin@maidenerleghtrust.org.

Thank you in advance for your time and valued contribution.

Yours sincerely

Jonathon Peck
Chief Executive Officer
