Dear Parent/Guardian

Year 11 Revision Corridor

I am writing to share with you the 'Revision Corridor' we have put together to support Year 11 students prepare for their upcoming examinations.

The full list is detailed below. It includes:

- Topic specific revision sessions
- Subject drop-ins (students should come with an area/topic they would like support with)
- Examination boosters

I am incredibly grateful to all my colleagues who have freely offered their time to help Year 11 and allowed us to put together this comprehensive support package.

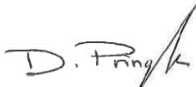

I must stress, these revision corridor sessions are in addition to the Exam Study Support Programme that Mr Gillett (Assistant Headteacher) has been compiling and will be sharing with you all.

All sessions start at 3:00pm (2:20pm on a Friday) unless otherwise stated.

I hope your son/daughter decides to engage with these additional sessions and that it increases their confidence in being examination ready in their subjects. Should your child not be in the day of an after school support session, due to having a morning examination for example, they would still be welcome to attend.

Should your child have any questions, please encourage them to come and speak to me.

Yours sincerely

Mr D Pringle
Head of Year 11

Date	Pre-School	After School Revision Corridor Sessions					
Mon 20 Mar		History - Revision Booster (Mr Stewart/Miss Bateman) in L1	Art & Photography - Drop-in (Arts Team) in C5
