Dear Parent/Guardian

Year 10 - English Assessments

We are writing to inform you that we will be assessing all Year 10 students (except those who are doing English Language GCSE only) in class after the Easter holidays.

Students will be assessed on Edexcel English Literature Paper One and will need to use their knowledge of the plays *An Inspector Calls* and *Macbeth*.

Some classes may not have finished *Macbeth* at this point, but no student will be disadvantaged by this and should only revise what they have covered.

Monday 17 April (1st day back after Easter)

All students will analyse language, form, and structure in an extract from *Macbeth*.

Friday 21 April

All students will write an essay about *Macbeth* covering the rest of the play (as far as they have studied it).

Monday 24 April

M side classes will write an essay about *An Inspector Calls*.

Tuesday 25 April

E side classes will write an essay about *An Inspector Calls*.

Your child should have all the notes they need in their copies of these texts and in their exercise books. Additional resources are available on Google Classroom and there is a GCSE English revision classroom which they can access with the code na3q3qe.

Yours sincerely

Ms K Terry
Head of KS4 English
